Storyline

Miles is a curious and adventurous young wild mule in the Grand Canyon, searching to find his place in the world. As an outsider, he hopes that one day he might become part of a mule team that carries new visitors down against the historic walls of the canyon trails.

After wandering into a hidden cave along Devil's Corkscrew, Miles suddenly finds himself trapped with no way out when a massive rockslide blocks the entrance. Isaiah was the last one to see Miles; he calls out to his friends!
